Two childhood friends from Queens, New York have created [Wine Cellar Sorbets](#) for sale through gourmet stores and restaurants. While they were originally looking for products to sell in a wine bar/restaurant business they decided to go the product route instead and now make a range of grape flavoured sorbets. They are currently available across [New York](#) and [New Jersey](#).

There are currently seven different 'vintages' or flavours

- Cabernet Sauvignon 2005 Central California (New Vintage)
- Zinfandel 2004 Central California
- Pinot Noir 2004 Oregon
- Champagne N.V. California
- Riesling 2004 New York
- Sauterne N.V. New York
- May Wine N.V. New York (blush)
